

WARRAGAMBA DAM AS A FIELDWORK LOCATION

Workshop for Geography teachers Years 7-10

PROGRAM DESCRIPTION

This professional development activity, is presented by the Geography Teacher's Association NSW, in partnership with the Sydney Catchment Authority. This workshop is an opportunity for teachers to see what is on offer at Warragamba Dam for schools; including a tour of the site (which is currently not open to the public) and a presentation on current water management issues for Sydney. Sydney Water Education staff will talk about the Water for Life Plan and other fieldwork opportunities. Sessions will also cover teaching programs for geography, quality fieldwork ideas, and associated assessment tasks.
